# GOLF COURSES

## THE GLADES

The Glades Golf Club boasts the reputation as one of Australia's most prestigious resort golf courses and is located right here on the Gold Coast.

Designed by champion Australian golfing icon, Greg Norman, the course is typical of his trademark aggressive layouts offering golfers a challenging round of golf within visually stunning surrounds.

The Glades greens are unique to any other golf course on the Gold Coast and will ensure a superior putting surface all year round as they consist of a new type of "Creeping bent grass" that offers a true putting surface and is the preference of professionals and amateurs alike.

The Glades is a par 72, 7264 metre championship course that spans 65 hectares of land. Greg Norman is renowned for his bunkering worldwide and the Glades does not disappoint with a total of 94 bunkers. Greg not only had a vision to create a challenging golf course on the Gold Coast, but he also retained 9 hectares of wetland area to create a natural wildlife sanctuary within the course.

## ARUNDEL HILLS

From the moment you pass through its imposing iron gates, Arundel Hills Country Club is never less than impressive. Manicured fairways roll away through leafy avenues of tall natives trees as you sweep past flower gardens along the wide boulevard and up to the majestic colonial-style Clubhouse.

There is a certain amount of mystery and intrigue surrounding Fred Bolton- designed members course. The non-members you will encounter on the tree-lined fairways will be the guests of other members.

The course layout is exceptional – designed to challenge the best or to be played as hard or relaxed as individual players choose. The great Australian champion, Norman Von Nida, pronounced the course as the best in Australia, describing it as “perfect... perfect tees, perfect fairways, greens shaped and manicured to perfection”.

## COOLANGATTA TWEED HEADS

### WEST COURSE

Located in Tweed Heads on the NSW side of the border and about 5km from Coolangatta, Coolangatta & Tweed Heads Golf Club is the perfect Golfers holiday destination. Situated on the edge of the beautiful Tweed River and on a 101 hectare dedicated wild life reserve, Coolangatta & Tweed Heads Golf Club offers a truly magnificent golfing experience.

Coolangatta & Tweed Heads Golf Club plays host to two Championship golf courses; both the River and West course are good golfing challenges.

Relax and enjoy the facilities our spectacular Clubhouse has to offer. With Clubhouse views overlooking the finishing holes and the Tweed River, experience the delight that only Coolangatta & Tweed Heads Golf Club can provide.

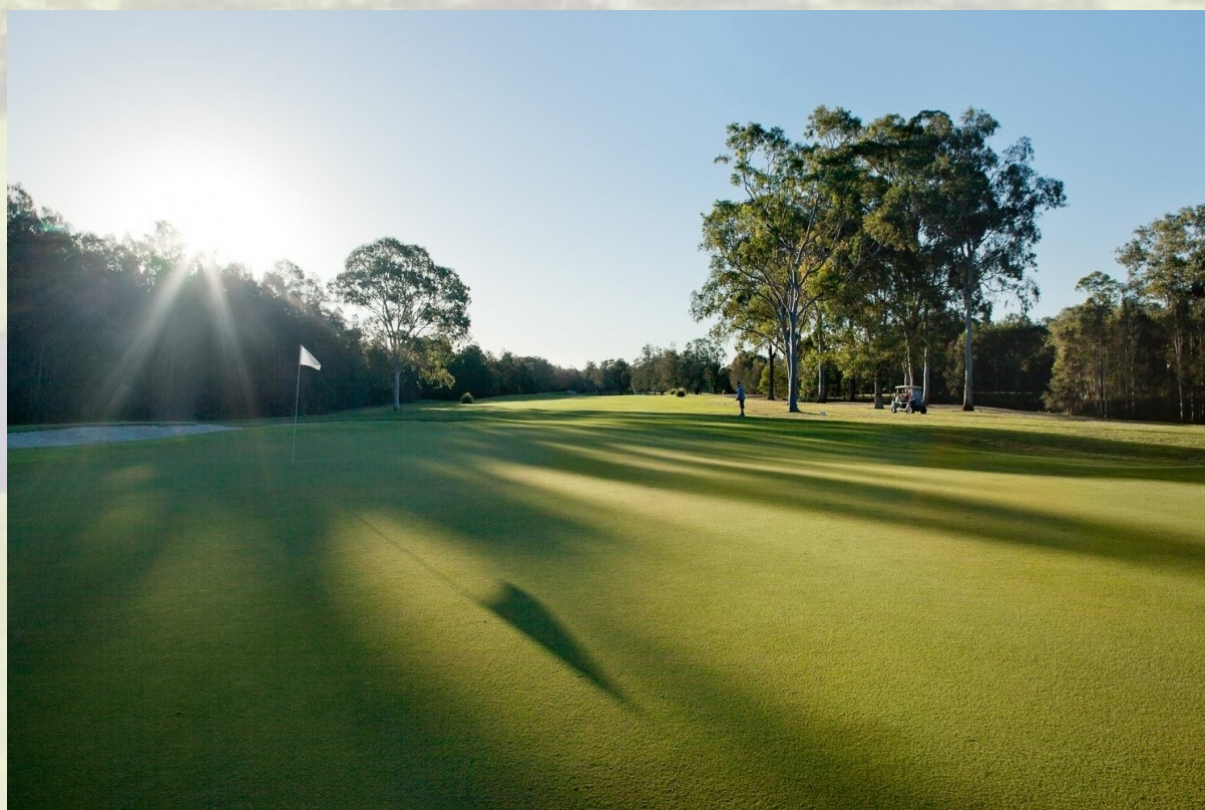

## GAINSBOROUGH GREENS

You'll be captivated by Gainsborough Greens unique Australian charm. The course is surrounded by 230 hectares of unspoiled natural beauty and encompasses a fauna and flora sanctuary which is home to dozens of Eastern Grey Kangaroos.

The course has been open since 1990, and having hosted the Queensland PGA in 1991, 1992 and 1993, is recognised among the elite courses in South-East Queensland. Despite its lofty status, Gainsborough is the type of course social players can enjoy. The course is not so difficult that it deters high-handicappers but the exacting layout makes for a challenging day out for even the more experienced golfer.
